

THE GREAT COOKIE CAPER!

Calling all bakers & friends! Join us for the annual Cookie Caper December 1 - December 6

Since 2016, the San Angelo Community, neighboring communities and Goodfellow Air Force Base have come together to deliver holiday cheer through the annual Cookie Caper event! Collectively we bake, package & gift 20,000+ cookies to military students stationed here for technical training. This event represents what our community is about - taking care of service members, families & giving back.
