ABOUT SPONSORING CHAMBER EVENTS

Thank you for your membership and involvement in the San Angelo Chamber of Commerce. We strive to provide great benefits, resources, and opportunities for our members. As a member of the Chamber, you are making a difference in your community while building your business. It's a win, win!

The Chamber hosts a variety of monthly and annual events throughout the year. All of our events feature unique sponsorship opportunities and create positive recognition for businesses like yours. Chamber sponsorships are a successful channel for reaching a broader audience as attendees include a large number of business leaders and decision-makers.

We understand that creating new business growth is important and have developed our tailored packages to give sponsors maximum exposure. Each sponsorship includes a variety of benefits, like brand exposure, media awareness and social media marketing. Our Chamber team is always thinking of fresh new ways that can lead to future clients and ensure customer retention for your organization.

Included in this packet are detailed opportunities and descriptions of the Chamber's recurring monthly events and large annual events. Also included are the digital exposure benefits that come with sponsoring a Chamber event. As a Chamber sponsor your business or organization receives publicity across multiple platforms and mediums (see page 9 for detailed digital sponsor coverage).

If you are interested in becoming a sponsor for any of these events, please contact the Chamber's Events Director, Tricia Peterson, or visit the Chamber's website.
